5 WOODVALE HOUSE WOODVALE ROAD, COWES, PO31 8EB **£745,000**

Step through the gate at the end of a quiet gravelled drive and you'll find this elegant wing of historic Woodvale House, where period charm meets coastal living. Just a short stroll from Gurnard's seafront and sailing club, this spacious three bedroom home is full of light, character, and a sense of timeless appeal. Inside, high ceilings, exposed wood floorboards and feature fireplaces create an inviting backdrop for modern family life. The generous ground floor flows from a comfortable sitting room with doors opening onto the garden, to a formal dining space and a superb kitchen/dining room — the heart of the home. A large shower room and utility add practical touches. Upstairs, three well-proportioned double bedrooms (each with storage) and a large beautifully appointed bathroom offer space and flexibility.

Beyond the living accommodation, there's potential too: a large loft ripe for conversion (subject to permissions) and a cellar ideal for garden storage. The gardens themselves are a delight — large and laid to lawn, the lower end planted with a variety of trees - a haven for wildlife and quiet moments alike. With parking and a garage to the front this is a rare chance to own a slice of local history, perfectly placed for both coastal adventure and peaceful retreat. We look forward to showing you over.
