LOCATION, LOCATION, LOCATION! This handsome family semi-detached home is ideally situated in a desirable location being within easy walking distance to Chelsfield Station with its fast and frequent commuter service into London and also catchment area for well-considered schools. The property provides excellent family accommodation as well as ample potential for extensions subject to planning. The entrance hall leads to 2 excellent reception rooms, a kitchen, a guest cloakroom and the 3rd bedroom on the ground floor. The first floor is equally impressive with a large landing leading to 2 excellent sized bedrooms, both with large eaves cupboards, a bathroom and a separate WC. There is a large loft which would lend itself to a conversion STPP. The rear garden is an absolute delight being totally secluded and backing onto a farmer's field with overreaching views. There is a detached large garage & work shop and ample parking to the front. Although this home requires remodelling, we believe the location and accommodation and potential to extend will appeal to many buyers and we therefore recommend your earliest attention. NO ONWARD CHAIN.
