ATTRACTIVE FAMILY SEMI DETACHED HOME IN A PREMIER ROAD. Situated in a popular and convenient position within this very well considered road, this home has been extended to the rear to provide additional accommodation for a growing family. The walkway to Park Avenue and therefore St Olave's School is almost directly opposite. The High Street with comprehensive range of shops and leisure facilities as well as Orpington Station are within walking distance. The property provides 3 very well-proportioned reception rooms, a kitchen and a lobby which provides a cloakroom and a small utility area. The first floor is equally impressive with 3 good sized bedrooms and a shower room. The rear garden is very secluded and is excellent sized for a family. There is an attached garage and off-street parking and a small yet attractive front garden. The property is double glazed and centrally heated with a relatively newly installed boiler. In our opinion the property also offers potential to extend STPP. The property has recently been painted and is offered without an onward chain. We recommend your earliest attention.
