The Ashurst has been cleverly designed to make sure you have all the space you need. It's packed full of handy storage solutions, guaranteeing you're never short of space for all the essentials. The wraparound L-shaped seating ensures there's plenty of room for everyone to kick back and relax. Just because the Ashurst is smaller doesn't mean you'll have to do without - there's even room to add a slimline dishwasher. Now that's what we like to call compact convenience!
