If you are considering purchasing a lakeside lodge with a hot tub, the search is over. We have an incredible opportunity to purchase the stunning Glen Mhor Lodge, the ultimate in comfort and luxury. The Glen Mhor Lodge has its own private space, with a decking area large enough to sit and enjoy the breathtaking views. Plus, the Glen Mhor also comes fully equipped with a six-person hot tub located on a private area of the decking. The Glen Mhor lodge combines a fully functioning kitchen and generous open-plan living space with a lounge, dining, and separate utility area. The living area, complete with two sofas and a cosy fireplace, is the perfect space to unwind and relax. As you move through the lodge, you will find the spacious master bedroom and a second bedroom with two twin beds. Plus, one of the most popular things about this lodge is the vast bathroom, which even has a bath. But it's outside of the lodge that is truly magical. With undisrupted views of the lake and sprawling countryside, and a beautiful six-person hot tub set on private south-facing decking, there is truly no better location to enjoy some much-needed rest and relaxation with your friends and family. Finally, additional benefits of this beautiful lodge include double glazing, central heating, a double parking bay, Wi-Fi, and park wide CCTV.
