## Laurel Road, Hampton Hill, Middlesex TW12 1JH

A wonderful 1930's family house with three bedrooms, situated moments from one of the gates of Royal Bushy Park, and offered for sale with no chain. This charming and well-presented home has a generous sized private rear garden and offers good potential to extend the ground floor and convert the loft, all of which is subject to the usual consents. Additional features include picture rails, original doors, double-glazing, and gas central heating. Immediate access to Royal Bushy Park can be enjoyed, and the amenities of both Hampton Hill and Teddington town centres are all close by. Fulwell railway station, local bus services, and Sought-after local schools, are all nearby.

A timber front door with leaded window and leaded window to side leads to the entrance hallway. There is space for cloaks storage and a built-in understairs storage cupboard. Doors lead to the front aspect sitting reception room and the rear aspect and garden facing dining reception room. Double-glazed sliding patio doors lead to the rear garden and there is a wall mounted gas central heating boiler. Open plan access leads to kitchen with a range of modern fitted units and integrated oven, hob, and extractor fan. There is space and plumbing for a washing machine and dishwasher, and space for a fridge freezer. There is a double-glazed window, door to the garden, part tiled walls and tiled flooring.

Stairs lead to the first floor landing with access to loft space and doors to all rooms. There are two good sized double bedrooms, one of which has an airing cupboard housing the hot water tank. The single third bedroom is front aspect. The fully tiled family bathroom and W.C have a bath with a wall mounted shower attachment and a shower screen. There is a further handheld shower attachment, pedestal wash hand basin, radiator, and double-glazed frosted window.

Outside there is a pebbled front garden and a lovely private rear garden with patio and shingles areas. There is a tap, two sheds and pedestrian rear access.
