A two double-bedroom apartment located close to Bethnal Green Underground Station and set within a period mansion block.

This property, on the first floor of this red-brick Victorian building, is full of character and features two good-sized, generously proportioned double bedrooms, a modern kitchen that includes fitted white goods, bright reception room with period sash windows, contemporary fitted toilet with modern walk-in shower. It is painted in fresh white throughout and has original varnished floorboards. The property also has the added bonus of coming with a secure external shed located in the communal stairway.

Shepton Houses is typical of the early residential blocks of East London. Built in the latter part of the nineteenth century by the East End Dwellings Company, a Victorian philanthropic organisation, the intention was to "house the very poor" – times have certainly changed.

Bethnal Green and neighbouring Shoreditch have benefited from much regeneration over recent decades; renovated warehouses, independent shops, artisan coffee houses, highly rated restaurants and reclaimed vintage stores have made the area a popular place to own a property and a favourite destination for visitors. Columbia Road Flower Market, Spitalfields and Whitechapel are all close by as well as Westfield Stratford shopping centre and some fantastic green escapes further afield - Haggerston Park, London Fields, Queen Elizabeth's Olympic Park, and Victoria Park - voted London's favourite outdoor space.

The property is very well located, just a few moments from Bethnal Green Underground Station and a short walk to Victoria Park, the capital's favourite green space among Londoners, Broadway Market and Brick Lane.
