Introducing The Lofts – Shoreditch's Most Exclusive New Address

Step into our most exciting release yet: brand-new, split-level loft-style apartments that blend industrial character with contemporary luxury.

Each residence has been renovated to the highest standard, featuring:

Striking open-plan kitchen and reception framed by floor-to-ceiling windows.

Two stylish mezzanine bedrooms, designed with light and space in mind.

A sleek, contemporary bathroom with premium fittings.

Your very own private built-in sauna — the ultimate indulgence at home.

As a resident, you'll also enjoy full access to The Sanctuary — your all-in-one community hub to chill out, work out, or connect with like-minded people, all without leaving the building.

With only 4 lofts available, this is a rare opportunity to secure a home that redefines modern living in the heart of Shoreditch.

The Lofts aren't just apartments — they're a lifestyle.

The Sanctuary houses everything you need to rebalance the rhythm of your daily life. Heart is a 100 sqm mezzanine studio for intimate workshops and movement classes.

Soul is a 194 sqm double-height warehouse and integrated sound system for live events and large format workshops and classes.

The Sensorium is a 90 sqm spa with 360 degree audio spread across two rooms designed around contrasts of sun and the moon, fire and ice. Immersions move between a 45 sqm 60-90 degree sauna, cold mist and rain showers, and ice baths.

The Sanctuary also includes a fully-equipped co-work space, ethical concept store, nourishing plant-based cafe and non-alcoholic elixir bar.
