A perfect opportunity for anyone looking for an over 55's stylish apartment. The development was completed in 2022 and provides supported living for residence to enable people to live with as much independence as possible.

The apartment provides a lovely environment which is well presented and maintained both internally and externally. Facilities within the complex include a restaurant, café, hair and beauty salon, communal areas to socialise, an assisted spa, guest suite and beautifully landscaped courtyards and roof top terrace. The scheme provides you with everything you might need all under one roof. There is an 'extra care scheme' with on-site care staff (24 hours / 7 days), Non-resident management staff and Careline alarm service.

With a lift providing access to the apartment, accessibility has been thoroughly thought through with wheelchair friendly corridors and wide doorways. Our 5th floor Two Bedroom apartment provides plenty of internal space with a living room, open kitchen, two bedrooms, a balcony and a walk in shower room.

Although the building benefits from it's own amenities, it is set within a short walk of Brighouse town centre and is within easy reach of bus stops, the train station, supermarkets and Brighouse high street with its local shops, parks and pubs. A car park provides off road parking space.
