Ash Croft, Hooke Road East Horsley, Surrey

We are delighted to bring to market this substantial detached family home situated in one of the Village's most favoured Private Road locations.

The spacious reception hall provides double door access to the two principal reception rooms which include the lounge with focal point fireplace with a large conservatory beyond, and the formal dining room. The hall also serves the family room, along with the kitchen with utility room beyond. Without doubt there is scope for the inclusion of the dining room into the kitchen space to create the perfect hub of the home so highly sought for today's family lifestyle. The ground floor spaces are completed by a guest wc off the hall and direct access into the attached double garage.

On the first floor, the galleried landing accesses the bedroom accommodation, which includes a main bedroom suite with a large dressing area and en-suite shower room, with the remaining 3 bedrooms served by the family bathroom. A notable signature throughout the house is the exceptional light to all spaces from the large windows which all have secondary double glazing units.

As important for any family house are the outside spaces, for which this home generously delivers...

To the front of the property is a block paved driveway for visitor parking, and gated access to the fabulous rear gardens. The crazy paved terrace and pathways provide different seating areas to enjoy sun or shade throughout the day, flanked by mature flower and shrub beds with a timber summerhouse and a further screened lower garden - ideal for the placement of a Work From Home Office or studio.

Barring the addition of the conservatory, the house remains true to its original design and there is great scope for any new owner to enlarge the existing accommodation should they so wish (STPP).

Hooke Road is a highly regarded Private Road location, enjoying a tranquil, child-friendly environment being within a stones throw of Effingham Common, only a 0.7 mile walk to Horsley Station (Waterloo 45 mins) and main shopping parade and within the catchments for both the Raleigh & Howard of Effingham Schools. In all, for the discerning purchaser who seeks a top quality home in a location to match, this is one definitely to view.
