

Magnolia House, Ockham Road North
West Horsley, Surrey KT24 6PF

A beautifully presented family home in South-West facing gardens just a 1/2 mile stroll to the Station (Waterloo 45 mins), shops and within the catchment for The Raleigh School. No Onward Chain.

Magnolia House, Ockham Road North West Horsley, Surrey

We are delighted to bring to market this bespoke designed home built to an exacting specification just 10 years ago by local builders Homes by Warwick.

With lovely characterful aesthetics sitting proudly beyond the large gated gravel frontage, there is ample visitor parking, a double width car port and access via either side of the property to the rear gardens.

Once over the threshold, the spacious reception hall with porcelain tiled flooring flows seamlessly into the large double aspect reception room providing to the rear a lounge seating area with a focal point contemporary fireplace and direct access to the sun terrace and garden. With a dining area to the front, this room is perfectly arranged should separate reception spaces be preferred. The kitchen/breakfast room is comprehensively equipped with high quality Bauformat units in a high gloss taupe complemented by white Quartz worktops, built-in and integrated Bosch appliances, and bi-fold door access from the seating area onto the terraced patio, as well as a secondary side access and a separate utility room.

To the other side of the reception hall there are two further interconnected rooms, with a TV/Family room preceded by the original study/office which is currently utilised as a music room. The ground floor spaces are completed with a guest WC and excellent storage.

On the first floor there are 4 double bedrooms and 2 superbly finished bathrooms (one ensuite), both with separate showers, and 3 of the bedrooms fitted with built-in wardrobes.

The internal specification includes: underfloor heating to the ground floor via an air source heat pump with MegaFlo system to provide equally pressured hot and cold supplies, audio networking to the principle rooms and CAT 5 infrastructure cabling to name but a few.

Externally, the rear gardens are laid out with a full sun terrace across the rear of the house to make the most of the sunny South-Westerly aspect, with the remainder of the grounds laid mainly to lawn, bounded by mature laurel hedges and having topiary feature planting throughout.

In all, for anyone seeking a top quality home within 1/2 mile walk of the village centre which is ready to enjoy from the moment you unpack your furniture, then this is one definitely not to miss. An early viewing is Highly Recommended.
