On entering the hallway there is an immediate and very welcome feeling of light and space with limestone flooring and a beautiful oak staircase setting the tone for the quality of the finish. The Fairway has a spacious kitchen dining room that lies off to the right and sitting room off to the left. Both these rooms span the depth of the property at either end and are double aspect with windows out to the front of the property and doors that open onto the south facing terrace which overlooks the stunning vista of Wells golf course. The practicalities are catered for with a separate utility room that has a door to outside and for those times that some peace and quiet is needed, the separate study/home office is the perfect place to tuck yourself away. Underfloor heating runs throughout the ground floor optimised by the limestone flooring that switches to engineered oak boards in the sitting room. Returning to the entrance hallway there is a downstairs WC conveniently placed.

Luxuriously carpeted stairs rise to the first floor where a stunning floor to ceiling window and expansive landing area offer the potential for a further workspace or library area. A master bedroom with ensuite shower room is joined by three further double bedrooms all with fitted wardrobes, family

bathroom and a linen storage cupboard. The accommodation configuration of The Wicket is a mirror image of The Fairway with the kitchen dining room lying to the left and sitting room to the right. Both these stunning properties are fitted with air source heat pumps and solar panels and they feature smart aluminium double glazed windows.

Outside

The approach brings you via a tarmac driveway to the front of the properties where a smart gravelled border sets off the beautiful stonework. To the front The Fairway overlooks Wells and Horrigton cricket ground and Wells golf course to the rear. The Fairway sits within a generous plot which presents a great opportunity for the new owners to make their own mark. A separate double garage completes what is on offer at the Fairway.

Situation

Wells is the smallest Cathedral city in England and offers all the usual amenities that you would expect including banks, doctors surgeries, dentist, a selection of primary schools and the excellent Blue School and Wells Cathedral School. The High Street is vibrant with a small selection of chain stores such as Boots and Waterstones, plus a variety of independent shops, restaurants and pubs. There is a twice weekly market offering good local produce, delicious fresh fish, meat products and a variety of street food. Wells also has a choice of supermarkets including Waitrose, Tesco, Morrisons and Lidl. At the very heart of the city is the stunning mediaeval Cathedral with its Chapter House and adjacent Vicars Close: the oldest street of houses in Europe still used for the purpose for which they were built. The Bishop of Bath & Wells still lives in the adjacent Bishops Palace, the finest of its type in England with its spectacular moat and gardens. The Market Place offers a superb cafe culture when the weather is fine, with tables and chairs set out amongst the fabulous architecture and historic buildings. Wells is fast becoming the South West's go-to place for festivals with its annual food, literary, contemporary art, garden, comedy and theatre festivals. There are

regular live-music events in both the Cathedral and Cedars Hall, the auditorium of the famous Wells Cathedral School. There are regular shows in Wells Little Theatre and a multi-screen cinema. Other local attractions and amenities include the well-known Bath and West Show Ground just a few miles away, home to the annual Bath and West County Show and many other exhibitions as well as regular antiques markets. Golfers have a wide choice of golf clubs; Wells Golf Club, Mendip Golf Club with its amazing views, Wedmore Golf Club and for those seeking a real challenge, Burnham on Sea Golf Club. Sailing and fishing can be found on the Chew Valley and Blagdon Lakes. A minor injuries unit is close at hand being situated at Shepton Mallet Community hospital or West Mendip Hospital. The cities of Bath and Bristol are within commuting distance and there is a main line railway station at Castle Cary (13 miles away) with direct links to London Paddington, journey time 1hr 40 mins.
