

White Cottage, 5 Castor Road, Brixham, TQ5 9PX

A quite delightful **TWO BEDROOM END TERRACE COTTAGE, WITH GARAGE AND PARKING**, which has been in the same ownership for over 40 years. Over those years the cottage has been improved and extended. Many of the original features of this stone built cottage remain, the ceiling beams in the lounge being of particular note. However the property now offers scope for improvement and modernisation providing the new owners with a great opportunity to create a truly individual home. The windows are double glazed with central heating by way of the gas fired Rayburn in the dining area. The garden, set above the road to the front, is a real sun trap. The icing on the cake in this location is the generous size garage with driveway parking in front. The property is in a handy level location. The local Castor Stores is just up the road. The local bus passes the end of the road with the town centre and harbour being an easy walk down Bolton Street. The property is offered for sale chain free.
