Located on the ever popular Wall Park Close, this **FIVE BEDROOM DETACHED HOUSE** offers a wealth of accommodation across roughly 186 square meters of internal accommodation. With the added benefit of having **NO ONWARD CHAIN**. Wall Park Close itself is a sought after spot, due to the quiet and tranquil surroundings, as well as having Brixham's picturesque town and harbour within walking distance. The property itself has been in the same ownership since 1996, it was a much loved family home and has most recently been used as a very successful holiday let. An extensive refurbishment was undertaken in 2020, which has created a truly beautiful home. As you step inside, the ground floor provides two incredibly spacious bedrooms, along with a shower room, large hobbies room and utility. The real hub of the house is the semi open plan style lounge, kitchen, dining room. These three rooms are all separate spaces, with a flowing layout creating an open feel. The forward facing lounge floods the property with light and allows access to the balcony. The modern gloss white kitchen comes complete with integrated appliances and a bespoke breakfast bar, whilst the large conservatory to the rear creates a fantastic dining area allowing access to the back garden. There are a further three bedrooms on the first floor, along with a well finished shower room. Outside, beautifully kept gardens are to the front and rear. The back garden enjoys a private, elevated seating area, with central lawn, whilst the front provides off street parking. Internal viewing is highly recommended to understand the space and quality on offer.
