We are excited to announce the development of Northern Cyprus' first ever VIP party style resort that will offer exclusive events featuring renowned DJs, live music performances, fashion shows, and themed parties providing the ultimate party experience. With the onsite facilities all guests/homeowners will be able to enjoy water games, animation programs, fitness activities, festive swimming and much more ensuring a fun filled stay throughout their holiday. Appealing more to an investors eye is the boutique hotel concept that offers a great investment opportunity thanks to the full property management and letting services the maintenance team will supply. Choose from a variety of room options including 17m² ground floor studio and penthouse suites, and of course these luxurious 35m² junior suites which will provide a much larger living space thanks to its unique niche design that creates a semi private area for the bedroom. Keeping in tone with the VIP theme these fabulous suites will feature a private jacuzzi! The developer has predicted a minimum of 8% ROI per annum. Currently

we are offering a free white goods and furniture package, which means that upon completion, investors can reap the awards from their investment right away.

The Area:

Tatlisu, which translates to “sweet water”, is situated on the north coast of North Cyprus, the scenery is magnificent and the views of the mountains and sea are quite breathtaking. From Tatlisu you can see along the north coast back to Kyrenia and forward in the distance to the great long stretch of the Karpaz peninsula. The drive from Tatlisu through Kaplica and on towards the Karpaz has to be one of the best on the island and now with the new road opened the journey time to Bafra and the Karpaz has been reduced considerably. The village itself is set in the foothills of the mountains and Tatlisu can boast some of the nicest beaches along the north coast. The area is ideal for exploring and walking. Just 35 minutes from Kyrenia and a 50 minute drive from Ercan airport.

Popular Area Attractions:

- Tatlisu belediyesi sandy beach
- Esentepe belediyesi sandy beach
- Restaurants close by, Eagles Nest, Roots bar x2, Down the hill, Cafe paris, Double Gemini, Sea Breeze, Rose’s bar, Californian and many more
- Small beaches along the coastline
- Korineum Golf and Beach Resort

- Alagadi or Turtle beach is a short drive away. In July and September the beach is a big attraction as visitors come to watch the female loggerhead and green turtles come to lay their eggs and see their hatchlings make their desperate run for the sea.
- The Incirli cave: a natural underground cave with stalagmites and stalactites
- The miniture meuseum
- Kantara castle
