Electric meter box

Yorkshire Dales National Park Local Occupancy Rule

An occupying household is required to comply with one of the following criteria, at the point of occupancy:

- i) Existing residents of the National Park establishing a separate household, purchasing a property for the first time, downsizing to a more manageable home, or requiring more space for a growing family.
- ii) A head of household who is or whose partner is in or is taking up full-time permanent employment or self-employment, within the National Park (or in another part of a parish split by the National Park boundary). Where a person is employed in a business that operates in multiple locations, their employment activities should take place predominantly inside the National Park.
- iii) A household that has a child at a school within the National Park.
- iv) Householders currently living permanently in a dwelling which is either shared (but not self-contained), overcrowded, or is otherwise unsatisfactory by environmental health standards and which is within the National Park (or in another part of a parish split by the National Park boundary).
- v) Elderly or disabled persons requiring sheltered or otherwise more suitable accommodation who already live permanently within the National Park (or in another part of a parish split by the National Park boundary).
- vi) Persons having to leave tied accommodation within the National Park (or in another part of a parish split by the National Park boundary).
- vii) Former residents of the National Park (or of another part of a parish split by the National Park boundary) whose case is

accepted in writing by the National Park Authority as having a need to return to the National Park.

SERVICES

Mains electricity, water and drainage.
