No onward chain and brimming with potential, this extended three-bedroom terrace in sought-after Wyken blends classic charm with everyday practicality — the perfect step onto the ladder or a smart investment opportunity.

Step through the lawned front garden and into a warm, welcoming home. The cosy lounge, with its natural light filtering through a bay window, offers the ideal spot to curl up in the evenings. Laminate flooring adds a modern touch, while the traditional layout provides a sense of flow and familiarity. Just beyond, a separate dining room leads into the extended kitchen via sliding patio doors — great for family mealtimes or casual entertaining.

The kitchen itself is well-equipped with plentiful cabinetry, a built-in oven, hob and extractor, and space for a washing machine. There's ample room to move, cook and create — with the layout offering opportunity for further reimagining down the line.

Upstairs, the front bedroom is a real standout — bright and spacious with another bay window that makes it feel airy and serene. The second double is comfortably sized, and the third bedroom works well as a nursery, home office or even a dressing room. The bathroom is fully tiled and finished in a modern style, with a shower over the bath for everyday convenience.

The rear garden is a proper family-sized space — private, secure and ready to be transformed into a lovely outdoor retreat. Whether you're planning summer BBQs or a safe place for little ones to roam, there's plenty of potential. A gated alleyway offers added security and access, while the large rear garage (accessible from both the garden and alley) provides superb storage, workshop potential or even scope for conversion, subject to permissions.

With good schools, local shops, supermarkets and University Hospital Coventry just a stone's throw away — plus great transport links — this is a solid, no-fuss home in a well-connected spot.
