Bedrooms 3

Nestled at the very end of a peaceful street in the picturesque village of Wolston, this beautifully extended, no chain family home offers a lifestyle that feels both effortlessly modern and warmly welcoming. As you step through the front door, you're greeted by an interior that immediately lifts the spirits — a bright, airy space where contemporary design meets thoughtful functionality. The lounge invites you to sink into comfort, bathed in natural light from generous windows, a perfect place for family film nights or curling up with a good book on a quiet afternoon.

Move through to the heart of the home, and you'll find the extended, high-gloss kitchen — a true showstopper. Smooth, gleaming surfaces reflect the light, while the classic white metro tile splashback adds a crisp, clean edge. The rich, herringbone LVT flooring underfoot adds texture and warmth, guiding you through a space that's designed for both busy weekday breakfasts and leisurely weekend dinners. It's easy to imagine children doing homework at the kitchen table while something delicious simmers on the hob, or friends gathered around for a glass of wine as the evening sun streams in.

The ground floor also offers a brilliant bonus: the converted garage, now a smart, well-fitted office space complete with its own WC — ideal for anyone working from home, running a small business, or needing a private retreat for hobbies, study or even a 4th bedroom.

Upstairs, the home continues to impress, offering three generously sized bedrooms, each with its own character, whether it's a serene master bedroom or playful children's rooms. The family bathroom is sleek and modern, a calming space for morning routines or unwinding at the end of the day with a long soak.

Outside, the rear garden is a little oasis. Step onto the stoned patio, where you can picture sunny barbecues, a morning cup of tea, or evening drinks under the stars. Beyond, the lawn invites children to run free, while the mature shrubs at the far end bring colour, privacy, and a touch of nature. It's the kind of garden that can evolve with the seasons — bursting with life in spring and summer, yet still offering beauty and calm through autumn and winter.

Living here, you're perfectly positioned to enjoy village life, with Wolston's friendly atmosphere, handy local shops, and the well-regarded Wolston St Margaret's C of E Primary School all close by. And when you need the buzz of the city, Coventry, Rugby, and Leamington are all easily accessible, with Rugby's fast train links sweeping you into London Euston in under an hour.

This home offers a setting for families to grow, professionals to thrive, and friends to gather. A place where you can savour the best of village living, without ever sacrificing modern comfort and style.
