Bedrooms 5  
Bathrooms 1

Positioned along the leafy, tree-lined Burns Road, in the popular Poets Corner area of Coventry, this extended five-bedroom semi-detached home offers over 1,400 square feet of versatile living accommodation, full of warmth, character, and space for a growing family. Set back from the road with a driveway for up to three vehicles, the home is offered with no onward chain and is move-in ready — making it an ideal choice for buyers looking for a well-maintained home in a well-connected location.

Step through the porch into a light and airy hallway that sets the tone for the rest of the home. To the front, the lounge is inviting and cosy, with a wide bay window, a gas fire set against a feature wallpapered wall, and charming details such as picture rails and a neutral colour palette. The adjoining dining room also enjoys a bay window with patio doors that open directly onto the rear garden, allowing sunlight to flood the space and providing a seamless flow for entertaining or family meals. The kitchen is well-kept and functional, laid out in a square design with cream cabinetry, a built-in oven, hob and extractor fan, and space for both a washing machine and fridge.

Upstairs, the home offers five bedrooms thanks to a well-planned double-storey side extension. In the original part of the house, two spacious doubles — one at the front with a bay window and chimney breast, and one at the rear with built-in wardrobes — are complemented by a generous single room that would serve well as a nursery, home office or study. A modern, fully tiled shower room with vanity under the sink adds a fresh, contemporary finish. Through an archway, the extended section houses two additional single bedrooms, offering flexible space perfect for children, guests or extra work-from-home needs.

The rear garden is a peaceful, sun-soaked retreat — not overlooked and thoughtfully designed for both relaxation and practicality. A raised decked seating area greets you as you step outside, framed by mature flower beds and a large, established tree providing shade and privacy. A summer house sits tucked into one corner — ideal for a home office, hobby room or simply a quiet spot to unwind — alongside a garden shed for handy storage. There's also a blend of artificial lawn and paving for low-maintenance enjoyment, all enclosed by quality fencing. A detached garage is located at the rear, along with an outside WC and access to the carport which runs the full length of the home.

Burns Road is a residential road with a sense of community and convenient access to daily essentials. There are several well-regarded schools within walking distance, including Sacred Heart Catholic Primary, Ravensdale Primary and Stoke Park Secondary School. Local shops, Caludon Castle Park and University Hospital are all just a short drive away, making this a truly practical and welcoming family home with space, light, and comfort in abundance.
