Potters Green Road
CV2 2AL

£210,000

Bedrooms 3
Bathrooms 1

On Potters Green Road, in a community known for its friendly feel and long-standing spirit, sits a three bedroom terrace home that has been cared for by the same family for over half a century. This is not just a house, it is a place that has been lived in, loved, and looked after for 52 years, now ready to welcome its next chapter. With no onward chain, it offers a straightforward move into a well maintained property with space to grow, both inside and out.

Set back slightly from the road, the home greets you with a neat, tidy front garden that creates a sense of privacy from the pavement. Stepping through the porch, you are drawn into a surprisingly generous lounge and dining space, stretching over twenty four feet. This is the heart of the home, bright, welcoming, and designed for easy living. A modern gas fire creates a cosy centrepiece, while a patio door with glass surround frames views of the garden and allows natural light to pour into the room. Carpets underfoot and neutral walls keep the style timeless, allowing any buyer to move straight in or add their own touch.

The galley style kitchen is practical and thoughtfully arranged, finished in a classic light shaker style. Integrated oven and hob sit alongside tiled flooring and splashbacks, while there is ample room for essential appliances such as a fridge freezer and washing machine. A compact two seater breakfast bar gives the perfect spot for morning coffee, and the back door leads straight out into the garden, ideal for family life or entertaining.

Upstairs, three bedrooms continue the home's sense of comfort and practicality. The main bedroom is generously sized, with a built in wardrobe and a light filled aspect. The second is another good double, overlooking the rear garden, while the third makes a flexible single, perfect for a nursery, home office, or guest space. The wet room has been modernised for convenience, with tiled walls and floor, a sleek vanity unit, and a finish that feels fresh and easy to maintain.

Outside, the rear garden shows the same care as the home itself. A covered block paved patio sits directly outside the house, creating a sheltered spot to sit and enjoy the garden whatever the weather. From here, the paving flows into a neat pathway that leads to a brick built garage, complete with an up and over door, convenient side access from the garden, and useful plug sockets inside. A well kept lawn sits neatly between smart shrub borders and sturdy fencing, offering a private, secure outdoor space.

Potters Green itself offers everything you would expect from a well connected corner of Coventry. Local shops, schools, and parks are close by, while public transport makes commuting into the city centre or further afield simple. For those driving, road links are excellent, with easy access to the M6 and wider Midlands network.

This home feels like it is waiting for its next story to be written. Whether you are a first time buyer eager to step onto the ladder, a family looking for a welcoming community, or someone seeking a manageable, well kept home with no chain, this property offers a rare blend of space, practicality, and warmth.
