To the front of the property there is a parking forecourt which could accommodate up to three vehicles. Gated pedestrian access then leads to a beautifully kept, well established mature garden which comprises: lawn garden, a variety of specimen shrubs, plants, bushes and trees, paved pathways, raised beds, feature garden pond, brick/wood store, brick built outside store, attractive brick built summerhouse with tiled floor, having a range of glazed windows and French doors.

To the rear of the property, there is a L-shaped low maintenance courtyard, enclosed by brick walling and having gated pedestrian rear access. (We believe that a neighbouring property has a partial pedestrian right of way, to gain access to the rear of their property).

AGENTS NOTE

The property has suffered movement over its lifespan. Berrys surveyors have carried out an independent survey and organised a CCTV drainage report (that are available for inspection to any genuinely interested parties). They recommend that the property should be monitored for further signs of movement. In the case that remedial works are needed, they suggest, subject to further investigation, that those works would entail a partial underpinning at an estimated cost of £20,000 plus VAT.

Services

Mains water, electricity, drainage and gas are all understood to be available to the property. None of these services have been tested. If there is a telephone installed it will be subject to British Telecom regulations.
