Holland Broadbridge are proud to be offering one of Shrewsbury's finest Georgian Grade II listed town houses for sale dating back to approximately c1830 and constructed of stucco over brick with a welsh slate roof. This outstanding six bedroom, four bathroom and five reception room period property has a feature double height curved bay window with well proportioned extensive and versatile accommodation set over four floors. The property has been completely renovated from the roof down to the basement by the present owners including a new welsh slate and lead roof with an extensively boarded and fully insulated roof space, all gutters and rain water pipes have been completely overhauled, the electrics and heating system have been designed to provide a modern/efficient environment, re-plastered throughout including a tanked basement area, new underground drainage system. The fastidious and meticulous attention to a classic yet contemporary interior boasts many original features and can only be fully appreciated by internal inspection which is highly recommended for anyone wishing to purchase a truly exceptional property that has a high quality finish. The internal floor area is approximately 4,430 sq. feet . The property is approached via an adjoining coach house style development with access via gated vehicle entry on to an extensive part walled driveway providing private parking for approximately 8 vehicles and two useful rendered block and slate roof outhouses. There is additionally a front garden and south facing walled rear garden/courtyard which provides an excellent area for entertaining and relaxing. The grounds and gardens were designed and contracted by a Shropshire based RHS award winning design company giving contemporary garden areas with clean design lines, trimmed box hedges, stainless steel water feature and sunken fountain water feature.
