# Wigglesworth Hall Barn Wigglesworth Skipton BD23 4RL

• Long Preston 3 miles • Settle 5 miles • Skipton 14 miles • Clitheroe 14 miles • Blackburn 23 miles • Kendal 33 miles

An impressive Grade II listed country property comprising an imposing Grade II listed former tithe barn with planning to create a stunning 5 bedroom principle residence of almost 10,000ft<sup>2</sup> plus a self contained 3 bedroom annexe cottage. Additional buildings will provide a spacious home office suite and a separate holiday cottage together with a further new build garage/stable block, all standing in about 4.5 acres.

Fabulous rural setting within the Ribble Valley located between the popular market towns of Settle and Skipton.

## Location

The property enjoys a pleasant rural position on the edge of the small village of Wigglesworth which has a Post Office and shop and a traditional pub. The busy market town of Settle is just 5 miles to the north offering an excellent range of services including primary and secondary schools, independent shops, a Booths supermarket and a regular street market in the town square. The station at Settle is on the Settle - Carlisle line with regular services connecting to Skipton, Leeds and Bradford. The main A65 is just 3 miles to the east making access by road convenient.

## Description

Wigglesworth Hall Barn is accessed from Jacks Lane via a shared drive from which a private bridge takes you over Wigglesworth Beck into the land. Beyond the bridge the approach to the barn is completely private providing all important security and control.

The buildings comprise the principle tithe barn, adjacent to which is a more modern detached brick built farm building, while a short distance to the south is a small stone field barn.

The immediate grounds within which the existing buildings stand extend to approximately 1.75 acres with the adjacent field extending to a further 2.75 acres. The land will broaden the appeal of this property to those with equestrian and hobby farming interest but also offers tremendous potential for landscaping, tree planting and conservation.

A mains electricity supply together with five separate mains water supplies have already been taken to the plot at considerable expense to the current owner.

## Planning

Planning permission and Listed Building Consent allowing the conversion of Wigglesworth Hall Barn to form a five bedroom dwelling with three bedroom annexe cottage, the conversion of a brick building to form a home office suite, the conversion of a stone barn to a one bedroom holiday cottage and the construction of a substantial new build stable block with garage/workshop was granted by Craven District Council on the 7 December 2021, Application No: 2021/22643/FUL and 2021/22644/LBC.

The planning documents relating to the current scheme can be viewed online via the planning portal at Craven District Council. Due to copyright protection, documents cannot be reproduced.

Prior to the above approvals, planning permission and Listed Building Consent for the reinstatement of Wigglesworth Hall Barn to its original height and conversion to form five separate dwellings with ancillary parking and garaging was approved by Craven District Council. These approvals were granted on the 12 October 2015, Application No: 72/2015/15718 and 72/2015/15719 but have now lapsed.
