INFORMATION

An extremely well-presented detached property with five good size bedrooms, situated in a convenient position close to Telegraph Hill and within easy reach of the village shops and station and within the catchment area of Hinchley Wood School.

Originally built in the 1930's and completely refurbished and extended in the last 5 years the house now offers very spacious accommodation providing an impressive kitchen/dining/room, utility room & cloakroom, family room, playroom, triple aspect living room.

On the first floor the principal bedroom benefits from an en-suite bathroom & vaulted ceiling. Three further bedrooms are serviced by a further en-suite & family bathroom. The second floor provides a master suite with an ensuite bathroom.

There is an extensive resin bound stone driveway to the front for several cars and the lovely, landscaped rear garden which is predominantly lawned with a large patio area for al fresco dining. A large custom-built studio at the side of the house makes a perfect home office, gym or playroom with a separate cycle store/workshop.
