# DESCRIPTION

---

Paul Hubbard Commercial are proud to present an exciting opportunity to purchase a spacious, well-located and easily accessible office building on the Gapton Hall Industrial Estate, Great Yarmouth.

Gapton Hall Industrial Estate has become a local hub for businesses operating in industries such as oil and gas, renewable energy, mechanical and precision engineering and manufacturing to name a few.

Due to its fantastic location and easy access to main roads such as the A12 and A47, this site is perfect for any business needing to travel around Norfolk and Suffolk on a regular basis.

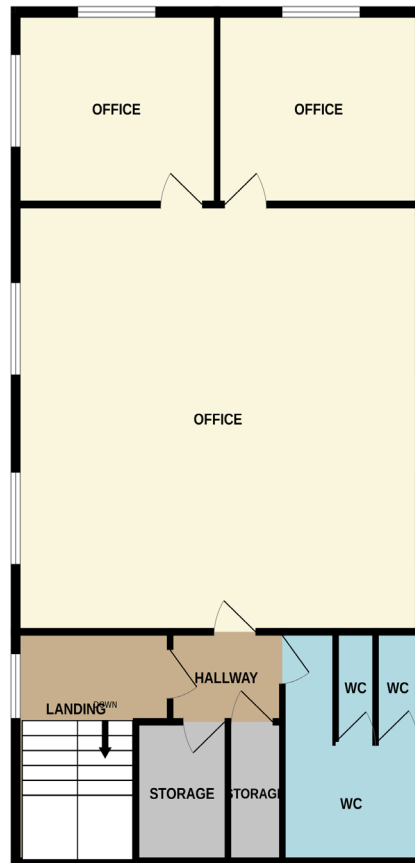

The site has a large amount of space to the rear of the office building, so there would be an opportunity to extend the existing building or even develop brand new units at the back of the site subject to planning permission.

The building benefits from central heating, air conditioning, double glazing and disabled WC. The building is traditional cavity brick and block wall construction, and internally and externally in good decorative order.

The unit is currently tenanted by two different companies, one of the ground floor and one of the first floor, so any viewings must be arranged at a suitable time through Paul Hubbard Commercial Ltd.

For more information on the property, please get in touch on 01502 532028 or email [jack@paulhubbardonline.com](mailto:jack@paulhubbardonline.com).
