This beautifully presented property provides ideal family accommodation with the added benefit of potential to extend to the side, subject to the necessary consents. The ground floor features a welcoming sitting room with double doors opening into a spacious, well-equipped kitchen/dining area, which leads through to a small sunroom/utility space. Upstairs, there are three bedrooms and a contemporary, stylish bathroom. The property is fitted with gas central heating and double-glazed windows throughout for comfort and efficiency.

Externally, the generous front garden comes with approved planning permission to create a driveway, offering ample parking for multiple vehicles along with two garages, complementing the existing garage already available. Alternatively, the front garden also presents potential for development into additional housing, subject to the appropriate planning approvals. To the rear, the enclosed garden offers a peaceful and private outdoor space, complete with an impressive workshop/summer house that is included as part of the property.

**LOCATION**

Set back from the road in a quiet cul-de-sac, this property enjoys convenient access to the village centre via a nearby public footpath. The village offers a variety of amenities, including a primary school, library, sports centre, swimming pool, health centre, and a selection of shops and supermarkets. Several beaches are located within approximately a mile, along with extensive downland and coastal walking routes. The harbour town of Yarmouth, which features a mainland ferry terminal, is also within easy reach, just a ten-minute drive away.

#### **OUTSIDE**

At the front of the property, there is a spacious garden area, mostly laid to lawn and partially enclosed by fencing and hedging, with a pathway leading to the main entrance. Planning permission has been granted for the construction of two garages within this space, complemented by a large driveway offering ample off-road parking and turning space if desired. Additionally, this area is believed to offer further development potential for residential use, subject to obtaining the necessary planning consent. There is also an existing garage with power and lighting, towards the rear of the terrace, with space in front suitable for parking a smaller vehicle.

To the side of the property, a gated entrance opens to a side garden area with a garden shed, leading through to the rear garden and patio. The rear garden is enclosed with fencing, laid mainly to lawn, and features a delightful workshop/summer house at the far end. A gated access next to the workshop/summer house opens onto a shared rear pathway, providing convenient access for both this and the neighbouring property to their respective garages.

**GARAGE**

5.10m x 2.55m (16'8" x 8'4")
