The property: an attractive three bedroom Grade II listed period property with accommodation spanning three storeys. Having been painstakingly restored the accommodation here is presented to an exceptional standard throughout yet it retains a plethora of original features including exposed wooden floorboards, parquet flooring and original sash windows. The accommodation on the ground floor offers a cosy living room with a bay window framing a westerly view which enjoys the afternoon sun late into the day. The living space flows through to the kitchen and dining room which is fitted with contemporary units and there is also a traditional family bathroom on the ground floor which enjoys a roll-top red bathtub with a shower over. On the first floor there are two well proportioned bedrooms while the third and largest bedroom is situated on the upper floor. From the front of the property there are far reaching views across the neighbouring rooftops and externally there is a rear courtyard garden which provides ample space for a bistro table and chairs. There is also a generous and well maintained front garden.

The location: positioned a short leisurely stroll from Alexandra Park and the beach this charming property is enviably located for life by the Coast. It's positioned centrally in Hastings Town with shops, restaurants and Hastings Old Town within easy walking distance. Hastings also benefits from a mainline railway station with connections to London in just over 1 hour and 20 minutes.
