Outside

The property is approached to the front over a sweeping gravelled driveway and leads to **Large Brick and Tiled Outbuilding**, with solar panels to roof and comprising **Garage** with electric door to front; light and power **17' 3" x 14' 3" (5.25m x 4.34m)**. Door to **Side Store 9' 6" x 7' 2" (2.89m x 2.18m)** which continues through to the rear **Workshop 17' 3" x 12' 6" (5.25m x 3.81m)**. To the side is a **Gardener's W/C**, leading through to the **Rear Store 8' 0" x 6' 3" (2.44m x 1.90m)**. To the rear is a further store. External stairs lead to the large first floor **Workshop 21' 6" x 16' 10" (6.55m x 5.13m)** with light and power, housing the oil-fired Grant boiler.

Formal gardens are set to the side and rear of the house, the latter a small lawned space. The principle formal garden is centred by a pond with timber framed cover over, low level brick containment and paved surround. The garden enjoys a generous lawn, with mature borders surrounding and to the side a large hardstanding / seating space with greenhouse alongside.

To the side of the driveway and sweeping behind the outbuilding is the first grassed paddock, appropriately fenced, inside which stands a **Garage/Store** building plus a **Double Stable Block** and **Feed Room**, with electric, water, power and a recently new roof. One stable is set with a concrete floor; the other a foam based layer.

To the South side of this, behind the formal garden, is a further grassed paddock.
