Pow Cottage is a charming, three-bedroom cottage located to the heart of Tattershall. With character throughout, including beams to walls and ceilings; the property is – perhaps surprisingly – not subject to listed status. With driveway parking, a garage and timber workshop plus generous rear garden, the property is well-positioned in the well-serviced village of Tattershall, with amenities, services and schooling available here and in adjacent Coningsby.

Coningsby and Tattershall, divided by the River Bain, are popular well-serviced villages providing a wide variety of shops, primary and secondary schools, post office and doctors' surgeries. Coningsby is famous for its RAF base and the Battle of Britain Memorial Flight Visitor Centre, and Tattershall for its National Trust Medieval Castle and heritage. The inland resort of Woodhall Spa is around four miles away and the Georgian market town of Horncastle and the East Coast are all within easy driving distance.
