Bank Cottage

Bowness-On-Solway, Wigton, CA7 5BH

Offers Over £335,000

Bank Cottage is a home that captures the heart, combining timeless character with a high-quality modern finish. Enjoying beautifully landscaped gardens, spectacular views over the Solway Firth and a detached stone barn bursting with potential, this is a rare opportunity to own something truly special. Equally suited as a permanent home, indulgent retreat or proven investment, Bank Cottage is a property where character, comfort and opportunity come together.

Inside, you'll find light and space throughout. The open-plan living and dining room is full of character, featuring exposed beams, stripped wooden floors and an impressive inglenook fireplace with multi-fuel stove. The stylish kitchen has been recently fitted with timber worksurfaces, sleek cabinetry and a SMEG range cooker, blending rustic warmth with contemporary flair. There are two double bedrooms, each offering comfort and versatility. Upstairs, the principal suite enjoys a Juliet balcony and a luxurious bathroom with roll-top bath and walk-in rainfall shower, creating a private first-floor retreat. The ground-floor bedroom benefits from direct access to the garden and a Jack & Jill shower room, adding convenience for guests or family. Outside, the gardens have been thoughtfully landscaped to be low-maintenance yet inviting, perfect for entertaining or unwinding. The generous patio and five-person hot tub create a private sanctuary, while the detached stone barn offers endless potential, whether as additional storage, a home office, creative studio, annexe or holiday-let conversion, subject to permissions.

Efficiency within Bank Cottage is well considered. In the cosier winter months, the multi-fuel stove in the living and dining room provides comforting, flowing warmth throughout the home. Combined with the added benefit of double-glazed windows, select rooms enjoying the timeless charm of sliding sash windows, the heat is well retained. The property is also serviced by an LPG gas central heating system, offering greater efficiency compared to traditional oil-fired or electric systems, ensuring that running and maintenance costs remain friendly on the pocket. Originally built in the 1800s, Bank Cottage has had an interesting ownership and usage history in recent years. Purchased at auction as a renovation project in 2016, after years as a private home, the cottage was refurbished for the holiday market and successfully let until it returned to auction in 2024, when it was purchased by the current owners and restored once again to a private home. Since then, a great deal of additional work has been undertaken, including re-glazing, new tiled flooring, and many other personal touches to create the wonderful home being marketed today.

Bowness-on-Solway is a truly idyllic village, beautifully positioned on the Solway Firth within the Solway Coast Area of Outstanding Natural Beauty, to the north-west of Cumbria. Steeped in history as the western gateway to Hadrian's Wall, the village offers a welcoming community and a range of amenities including The Kings Arms Inn, Solway Lounge & Garrison Bistro and Bowness-on-Solway Primary School, while the neighbouring village of Kirkbride provides further conveniences such as the Inn at the Bush, Kirkbride Primary School and a local store. A wider choice of supermarkets, garages and secondary schools can be found in Wigton, around 20 minutes to the south, or Carlisle, just 30 minutes to the east, where Carlisle Citadel station connects to the West Coast mainline. For those who love the outdoors, the area is a haven for walking, cycling and wildlife spotting, with the RSPB reserve on the doorstep and the Lake District National Park within an hour, offering endless opportunities to enjoy spectacular scenery and recreation.
