Glenlorac

Tinwald, DG1 3PL

Offers Over £560,000

****VERBAL OFFER ACCEPTED****

Glenlorac is an executive four-bedroom detached family home that perfectly blends space, style, and countryside living.

Situated on the edge of the peaceful village of Tinwald, it enjoys far-reaching rural views while being only minutes from Dumfries and its wide range of amenities. From the moment you step inside, the sense of light and scale is immediately apparent, with accommodation spanning in excess of 4,000 square feet, a size and standard that sets this home apart from many properties to have come to the market in recent times, with generously proportioned rooms and a high-quality finish throughout. At the heart of the property lies the spectacular kitchen with adjoining dining space, a truly sociable area with a central island, contemporary fittings, and French doors opening out to the front, ideal for both everyday family life and entertaining. The formal living room makes the most of the open outlook with large windows and a cosy multi-fuel stove, while four generous bedrooms, including a superb master suite with walk-in wardrobe, offer plenty of flexibility for growing families or visiting guests. For added convenience, one of the double bedrooms is situated on the ground floor, and with an adjoining Jack & Jill shower room, this enhances the home's versatility, making it particularly appealing for those seeking multi-generational living options. Designed with modern living in mind, the property combines comfort with efficiency, featuring underfloor heating to the ground floor, double glazing, oil-fired central heating, and solar panels with battery storage for reduced running costs. Outside, a large garage/workshop and covered seating area provide further space for hobbies or relaxation, all set within easily maintained gardens and grounds. Ready to move straight into, Glenlorac offers the perfect opportunity to enjoy the best of rural tranquillity without compromising on convenience.

The accommodation, which has oil-fired central heating and double glazing throughout, briefly comprises a hallway, living room, kitchen, dining room, utility room, WC/cloakroom, bedroom four and shower room to the ground floor with a landing, three bedrooms, master en-suite, master dressing room and family bathroom to the first floor. Externally there is off-road parking, detached garage and gardens to the front and rear. EPC - B and Council Tax Band - G.

Tinwald is a charming village located just a few miles north of Dumfries, offering the perfect balance of rural living with excellent access to local amenities. Surrounded by open countryside, the village provides a peaceful setting while benefiting from close proximity to the wide range of facilities available in Dumfries, including supermarkets, high street shops, leisure centres, restaurants, healthcare services, and both primary and secondary schools. Tinwald itself is well connected by road links, with the A701 providing direct access into Dumfries and towards the M74 for travel north to Glasgow or south to Carlisle. Regular bus services also operate in the area, making commuting and accessing nearby towns straightforward. With its blend of tranquil surroundings and convenient access to transport and amenities, Tinwald is a desirable location for families, professionals, and retirees alike.

EXTERNAL:

Front Garden & Driveway:

To the front of the property is a large concrete driveway, accessible from the road via double metal gates with cattle-grid. The driveway ascends towards the property and allows vehicular access around both sides, with ample space to the side to accommodate large vehicles including campervans, caravans or trailers. Two lawned garden area to the front of the property include mature hedging and shrubs.

Rear Garden:

To the rear of the property are multiple areas for outdoor enjoyment and practicality. Directly behind the property is a large concrete driveway/hardstanding area, which allows vehicular access right around the property, with access from here into the detached garage/workshop. Steps and ramp access to the mid-garden level, which includes a large sheltered outdoor seating area and a low-maintenance gravelled seating area with established borders. To the upper garden level is a generous lawned garden with mature fruit trees and open-field views. The oil tank is situated within the rear garden.

GARAGE/WORKSHOP

The garage/workshop is accessible via an electric roller garage door and includes power, lighting, external cold water tap, oil-fired boiler and the solar panel inverter and battery storage facility internally. The solar-panels are situated on the roof of the garage/workshop.
