Porch
A double glazed porch with a UPVC frame, perfect for kicking off shoes and keeping the chill from the front door.

Living Room
A good sized room with a wood burner recessed and sat on a slate hearth, a laminate floor, a window to the front elevation and with space for a dining table and three piece suite. The room provides access to the kitchen and to the stairs rising to the first floor.

Kitchen
Fitted with attractive shaker style cabinets at wall and base level and with contrasting worksurfaces over. Integral appliances include a four-ring gas hob, an eye level electric over, an undercounter fridge and freezer, inset sink and drainer, and with space and plumbing for a washing machine. The flooring is the continuation of the living floor providing for a coordinated look, and there is window to the rear elevation and an external side door leading out to the garden.

First Floor Landing
The first floor landing is reached from the stairs rising from the living room and it provides access to the bedrooms and the shower room.

Bedroom One
With a window looking out to the front, this is a double room with niche spaces for bedroom furniture and shelving.

Bedroom Two
The bigger of the two bedrooms, and located at the back of the property in the extended part of the building. Plenty of space for a double bed and wardrobes.

Shower Room
A stylish, modern shower room with a walk-in cubicle with glass and black frame, black sanitary ware, and attractive tiles. There is a wall-hung wash-hand basin and a low level WC. You will also find a black heated towel rail and a window providing natural light from the rear elevation.

Front Garden
To the front is a long garden, paved for access and with tidy screening for the bins, beds with mature shrubs and plants, and a seating area.

Communal Garden
The rear garden is shared with the other properties and open plan without individual boundaries. Access is from the kitchen door, and for moving garden waste you have a side path
