Sycamore Rise

Kendal, LA9 5FT

Offers Over £500,000

Sale of an attractive, stone fronted detached house on the highly popular Brigsteer Rise development by Story Homes. This home has four good sized bedrooms, a living room, beautiful kitchen/diner and living area, separate utility and ground floor cloakroom, whilst on the first floor the master bedroom is ensuite and there is a family bathroom.

There are many advantages of buying 'nearly' new over reserving a plot and these include speed of ownership and the major snagging has already been done. And this property comes fitted with a number of upgrades (over £12,000 worth) including premium Porcelanosa plank floor tiles on the ground floor, carpet fitted throughout and fully tiled wall elevations in the bathroom and ensuite.

The property also benefits from a fine position on the development with long elevated views from the rear over Kendal rooftops and on to the hills beyond. The site plan for the development shows that there will be plenty of open green space to the front too once the development is complete and this will mean you will not be overlooked. With additional benefits of an integral garage and EV charger, block paved drive for two cars, and a secure rear garden laid to lawn and with a patio.

Kendal town centre is a mile away and here you will find a wide range of restaurants, cafes and bars as well as independent shops on the busy high street. There are several supermarkets and the Westmorland Hospital. Being a family home, you will be glad to know that there are many schools for all ages and a well regarded sixth form college.

Road connections to the M6 are close by and Oxenholme station connects the town to main West Coast rail link. And just 9 miles away is the town of Windermere that sits at the heart of the Lake District National Park, so convenience and beauty are all on your doorstep.

Entrance Hall

You enter into a welcoming hallway, providing access to the living room, kitchen, and the stairs rising to the first floor. The flooring is covered with Porcelanosa tiles that run through the ground floor accommodation (except the living room) providing a stylish, contemporary look.

Living Room

Looking out to the front of the property and providing a quiet place to sit and relax with the family at the end of a busy day.

There are many integral appliances including double electric ovens (one with microwave combi), a fridge, freezer, wine cooler, dishwasher and an inset one-and-a-half bowl stainless steel sink and drainer.

There is space for a family sized dining table and chairs, and a wonderful place to sit in the box-bay window to the rear elevation and enjoy views out to the rear garden with access via French Doors leading out to the patio.
