'Uplands' is a well proportioned and constructed 1930s/40s house, occupying a convenient location close to Lyme Regis town centre and its amenities.

The property has been under the same ownership for a number of years, and whilst it has been very well maintained it would now benefit from updating to suit modern requirements.

The house offers balanced living and bedroom space, with a generous conservatory offering a nice outlook onto the rear garden, whilst there are lovely sea and coastal views from some of the principal rooms. There is a good sized garage found nearby, as well as off road parking for one vehicle.

The property is offered to the market with no onward chain.

Lyme Regis is a picturesque coastal town noted for its many character buildings, centuries old Cobb Harbour and unspoilt surrounding countryside. The town centre provides good shopping facilities for day to day needs and the larger centres of Taunton and Exeter are both about 28 miles away. There is a main line railway station at Axminster (6 miles inland). In Lyme Regis there is also a sailing club, bowls, golf course, theatre and numerous local societies.

The town is situated on the beautiful and unspoilt Devon and Dorset 'Jurassic Coast' awarded World Heritage Site status by UNESCO in December 2001.
