Calgarie is an extremely well presented and appointed detached residence, thought to have been constructed during the 1990s, and situated to the favoured western side of Lyme Regis within a tucked away position off a private driveway.

The property has been lovingly cared for by the present owners, and affords generous living space, a light and bright aspect, and spacious bedrooms, with the main bedroom benefitting from its own en-suite bathroom. There are sea and coastal glimpses from some of the principal rooms both to the ground floor and first floor.

The front gardens are a real delight, offering a sense of seclusion and privacy, with a low maintenance rear garden, and further benefit of driveway parking for several vehicles to the front of the property.

Lyme Regis is a picturesque coastal town noted for its many character buildings, centuries old Cobb Harbour and unspoilt surrounding countryside. The town centre provides good shopping facilities for day to day needs and the larger centres of Taunton and Exeter are both about 28 miles away. There is a main line railway station at Axminster (6 miles inland). In Lyme Regis there is also a sailing club, bowls, golf course, theatre and numerous local societies.

The town is situated on the beautiful and unspoilt Devon and Dorset 'Jurassic Coast' awarded World Heritage Site status by UNESCO in December 2001.
