Westwood

Patterdale Road, Windermere

Westwood reveals itself with well proportioned, beautifully presented accommodation stretching over three floors finished to a high specification following a recent refurbishment in 2021-2022. Dating from the 18th century, this traditional Lakeland property sits in a peaceful location at the foot of Orrest Head just a mere half mile from Windermere village, and close to the spectacular scenery and famous country pubs of the Troutbeck Valley.

Having been lovingly renovated Westwood is currently running as a successful holiday with Lakelovers and offers substantial and stylish accommodation for up to 8 people across four bedrooms, Westwood is ideal for family and friends and blends the traditional feel of wooden beams and fireplaces with comfortable and modern furnishings. The extensive accommodation comprises a dining kitchen with farmhouse style seating area, sitting room with feature fireplace and patio doors and cloakroom to the ground floor, to the first floor is a master bedroom with ensuite shower room, two further double/twin bedrooms and a family bathroom. The second floor leads up to a vaulted suite with double bedroom, dressing area and bathroom. The outside space is also highly prized and valuable parking for two cars is available in a parking bay along the private lane. A generous patio garden area offers a pleasant place to sit and dine out, with minimum fuss and low upkeep in mind, giving you more time to be out and about on the fells or sitting and relaxing, rather than weeding and mowing.

Equally suitable as a main, second or investment property; currently operating as a commercial holiday let through Lakelovers, the property is available for sale fully furnished to enable the business to continue seamlessly during handover or, if you are looking for a private second home, the contents may still be useful as they will enable you to start enjoying the cottage straight away, before taking your time to put your own stamp on the interior.

From the private road in front of the property, a Lakeland stone wall enclose the patio fore garden and a gravel loading area and two slate tiled steps lead to the traditional solid wood front door. A traditional black outside light is positioned above the name sign "Westwood". The door opens to
