Full Description

Massive through terrace in this premier Hyde Park location, just meters from the park itself and a short hop, skip and jump to University. The property was refurbished from top to bottom a couple of years ago and now offers modern and spacious accommodation throughout. At the rear of the ground floor is a galley kitchen with fitted luxury wall and floor units and integrated appliances as well as a door opening out onto the rear yard. Adjacent to the kitchen is a huge lounge with laminate flooring, bright modern decor, leather suites and dining space; it's a huge room and makes a great centerpiece to the house.

Spread over three massive floors are six large double bedrooms, all recently redecorated, all fully furnished and all a great size. There are two full bathrooms, the first on the ground with bath and shower. There's a hotel chic style main bathroom on the first floor with bath and shower, chrome fittings and modern wall and flooring tiling.

The house has also been redecorated throughout and offers plenty of light, loads of space and a small yard / garden to the rear. The location is truly superb; right in the the thick of Hyde Park with great Uni access and a host of amenities on your doorstep.
