Full Description

This lower ground floor apartment has recently been refurbished to a very high standard. The statement walls throughout the property are a welcome change to your standard magnolia decor. The kitchen living area provides the perfect space for entertaining as well as kicking back after a hard day. The bedrooms are both good size doubles and have large windows, as well as being fully furnished.

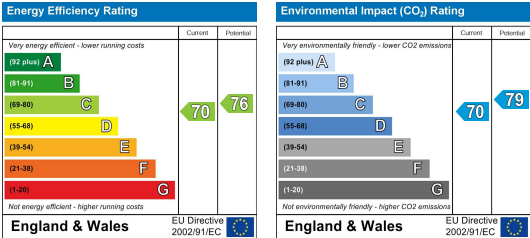

If the interior of this property isn't enough to sway you, then the landscaped garden surely will be!!

The flat is only a 5 minute walk from the Parkinson building too, so you really couldn't ask for a better location.
