The property comprises a three storey building, forming a vacant thirty two room care home (use class C2) extending to approximately 21,041 sq. ft. The property is arranged over four floors which includes a basement, with the property offering spacious accommodation throughout. The ground floor has undergone some recent refurbishment in line with the previous care home requirements and is now presented in average to good condition. There is ample parking to the front of the property and outside space, that includes mature formal gardens and woodland. Within the grounds there is a Grade II listed Icehouse which is located to the south east of the main building. The site in total extends to approximately 5 acres (2.023 hectares).
