Ossicles

Ossicles is an incredible home standing in a most private position on the edge of the village of Stoke Row in the Chiltern Hills. The bespoke design maximises the enjoyment of the views from all areas of the house and creates a luxurious feeling of volume and open plan living from the moment you step into the house.

The wonderful interiors, combined with the quality of fittings and materials, are as you wish for in a luxury home, with a focus on open plan entertaining and family space with breakaway areas for peace and relaxation.

Of particular note, is the use of glass, full height ceilings and gently sloping ceilings to create a very individual style to be enjoyed and appreciated at all times of the day and through the seasons. Entering into a double height hallway the accommodation is arranged over 3 floors with a glass staircase and walkway, taking advantage of the abundance of light and views.

Planning permission has been granted in October 2022 for a fabulous new garage block and landscaping, reference SODC planning portal, P22/S3021/HH.
