Waterside

This unique home stands on the banks of the peaceful Loddon River, moments by boat from the River Thames. The house is in an elevated position overlooking its beautiful grounds, with the stylish accommodation arranged over a single floor.

Stepping through the front door, there is an immediate sense of light and calm, with vaulted ceilings creating volume and a wonderful sense of space. All the principal rooms are arranged off the central hallway. Overhead windows let the light flood in with recessed display shelving and pocket doors allowing a seamless open-plan flow or a more cosy feel for the evenings. The main living area and kitchen is open-plan, again with pocket doors and vaulted ceilings creating a stunning living space with floor to ceiling glazed doors leading out to the deck and views towards the river.

The kitchen is well designed around a large island with high quality Gagganau and Miele appliances and Sub Zero fridge/freezer plus a superb walk-in pantry and separate utility area.

The spacious principal bedroom suite opens out to a discreet area of the deck garden. There is also a luxurious ensuite bathroom and dressing room. Subtle lighting and a vaulted ceiling perfectly set off the room. The guest suite, two further double bedrooms and family bathroom are located off a separate inner hallway.

The Annexe

Next to the main house, is the detached annexe with kitchenette and en-suite facilities. Currently used as a home office but would also suit those looking for separate staff or guest accommodation.

The Grounds

Waterside has an in and out driveway with two sets of automated gates and a detached double height garage. The house is surrounded by a lovely raised deck garden and is designed to offer zoned areas for entertaining and relaxation with raised planters and a lovely water feature.

Stepping down to the garden, a sweeping lawn runs from the house down to the river with a private landing stage and mooring. The natural beauty of the setting has been thoughtfully respected with simple planting to provide year round interest.

Situation

Loddon Drive is a private road in Wargrave, a pretty and highly regarded Thameside village near Henley-on-Thames. At the end of Loddon Drive is Wargrave Station, which connects with the Elizabeth Line and a fast commuter service to Paddington. The area is famed for its beauty and enjoyment of river pursuits. The larger centres of Reading, Maidenhead and Marlow are easily accessible by road from Wargrave as is London and Heathrow airport.
