In our opinion a very well presented and well maintained one bedroom second floor apartment in this highly regarded residential development close to the town centre that has been much improved by the current owners. The property is accessed by a secure entry phone system and is heated by electric heating, it has double glazed windows which face due south and has far reaching views across Keep Hill to the front aspect. Both the kitchen and bathroom are modern and have been refurbished during the current ownership and the lounge/dining room and large double bedroom are of excellent proportions. The property has new flooring throughout. Externally there are well maintained communal gardens with childrens play area and an allocated car parking space. Held on a long lease term remaining we recommend early viewing, we hold keys.
