SITUATION

Halton Village is quite charming with the architecture heavily influenced by the Rothschilds, with a wealth of character properties of historical and national interest. Also close by is Halton Tennis Club incorporating the Health and Fitness Centre. Nearby is a village shop/post office and a primary/middle school, which was judged excellent by Ofsted. The pretty market town of Wendover provides a variety of shops, restaurants and main lane station to London Marylebone. There is also a local bus service. Wendover also has a strong selection of schooling; including the well regarded John Colet secondary school and the catchment grammar schools, Aylesbury Grammar (boys), Sir Henry Floyd (mixed) and Aylesbury High School (girls). Wendover Woods (1 mile) is owned by the Forestry Commission and offers fantastic walks/biking trails as well as a "Go Ape" course.

THE PROPERTY

This appealing family home displays the classic Rothschild influence in its architecture and was formerly the home of the head gardener to the Halton Estate. The property has been the much cherished home of the current owner for more than forty years.

The overhung porch opens into a generous reception hall with the staircase leading to the first floor. The large triple aspect sitting room has casement doors out to the garden and an impressive original fireplace as the focal point. The dining room is a lovely size and enjoys a bright dual aspect with another decorative original fireplace.

The kitchen/breakfast room has an extensive range of fitted units with Corian work surfaces and an AGA with adjoining combination cooker. To the rear is a large utility room with an adjoining office and cloakroom.

On the first floor there are four double bedrooms with an en suite dressing room to Bedroom 2, a family bathroom and a night cloakroom.

OUTSIDE

Garden Close is a private road and the entrance leads to a large tarmac driveway providing ample parking for numerous vehicles. There is double garage situated within the garden.

The gardens are quite enchanting and still have many of the original design characteristics. There is an extensive area of lawn dissected by pathways, ornamental steps and yew hedging, creating charming areas to enjoy. It is a wonderfully idyllic playground for children.
