Dobbins Lane

Wendover, Aylesbury

A rare opportunity to acquire a unique Victorian house on tree-lined Dobbins Lane; one of Wendover's most popular locations. The current owners have lived in this lovely family home for over forty years. The elegant accommodation offers a perfect balance of traditional charm and contemporary style. Retaining the Victorian features, it has been completely renovated with insulation and double glazing throughout, an air source heat pump and under floor heating.

The front door opens into a delightful reception hall with a beautiful original mosaic tiled floor, traditional cloakroom with a separate wc. The two principal reception rooms are on either side of the hall, both retaining their Victorian style, with deep bay windows and fireplaces. The sitting room has gas coal effect fire and the family room a log burner stove. The kitchen/Dining is a fabulous light and airy space, with a partly vaulted ceiling and is the real hub of the home. The kitchen is extensively fitted with a full range of bespoke units, incorporating a large central island and integrated appliances; the dining area has doors out onto the garden. Off the kitchen lies a wonderful large utility room, comprehensively fitted in the same vein as the kitchen. The garden room is also off the kitchen and has doors opening onto the garden.

The first floor has a lovely landing and access to the loft. Planning permission has been obtained to convert the loft into further accommodation if required. The indulgent master bedroom has a two fully fitted dressing rooms en suite and a large bathroom, complete with sauna. There is an en suite guest bedroom and three further bedrooms, served by a well appointed family bathroom.
