An exquisite Appledore oasis boasting mesmerising views in a peaceful tucked away setting in the heart of this highly sought-after seaside village. Carefully renovated and re-modelled with an exacting eye for detail, the house features an abundance of luxury refinements showcased with contemporary flair. The accommodation is arranged as a series of wonderfully light and flowing spaces which unfold over 3 storeys and comprises 3 bedrooms (2 ensuite), family bathroom, wetroom, living room, kitchen diner, utility room, generous private south facing garden and the rare delight of 2 parking spaces.

Appledore is a quaint port and ship building village with the most picturesque quayside and narrow cobbled streets providing amenities including mini Supermarket, Post Office, Primary School, Library, places of worship, a selection of Galleries and Craft Shops together with many Pubs and Restaurants. Nearby is Northam Burrows Country Park offering many attractive walks and stunning vistas, and Westward Ho! with its long sandy beaches and Golf Course. A regular bus service provides access to the port and market town of Bideford, approximately 3 miles distant.

The house is mostly hidden from the street and vehicular and pedestrian approach is via gates at the bottom of Alpha Place where there are 2 private parking spaces and a path leading to the house. Entry is via intercom to a secluded and private garden.

The front door opens into a welcoming entrance hall which in turn leads to a well-appointed family bathroom and utility area. Further doors lead off to a wonderful pebble-floored wetroom and to Bedroom 3 which is a cosy double room peacefully located to the rear of the plan. Bedroom 2 is also found on this floor. This tranquil room features a large picture window with built in window seat framing beautiful views over the garden to the Estuary beyond.

Light floods the staircase to the first floor by way of stunning full height picture windows and roof light. Leading off the first floor landing is the marvellous kitchen diner where pale grey cabinetry is topped with complementary worksurfaces and there are delightful views towards Instow from the windows. There is space for a sizeable dining table at one end of the room where an attractive timber feature wall opens to reveal a hidden double bed for unexpected guests.

Occupying the other half of the first floor is a stunning reception room whose 4 large sash windows once again afford expansive views of the estuary and countryside beyond.

The entire top floor is given over to the principal suite where sublime views are enjoyed from the lovely freestanding bath which sits in front of one of the two sash windows. There is a separate shower and WC.
