This grand, double-fronted home has so much adaptable space. Georgian-inspired with a classic Cornish stone frontage, large symmetrical windows of the era and an elegant hand-made porch, it captures the best of traditional home building injected with the essentials of modern-day living.

Downstairs, the open plan kitchen/diner features a stunning cooking island, fitted with a high-spec SMEG 5-zone induction hob and downdraft extractor. A SMEG multifunction oven, fridge/freezer and dishwasher are also built-in to the layout, along with a superb corner pantry. Classic double doors lead out to the garden and oversized patio.

The galleried hallway is an impressive space, off which is a good-sized living room, with another set of classic double doors, and the largest MAGIC ROOM of all our bunnyhomes. There's well-considered storage throughout including bespoke understairs pull-outs.

Upstairs, both the master bedroom and bedroom 2 feature an ensuite with shower enclosure while the remaining generously sized bedrooms share the luxury family bathroom, all furnished with VILLEROY & BOCH sanitaryware and PORCELANOSA tiling.

This bunnyhome is fitted with UNDERFLOOR HEATING through the ground floor (with the added benefit of no radiators), which along with the heating system, is fuelled by the latest technology air source heat pump, with 'smart' controlled thermostats. It also boasts CAT6 cabling into all the main rooms so you're super connected.

This Old Parsonage features a detached double garage and ample off-road parking.
