DURRANTS
Inspired in West Sussex

Crafted from passion, innovation and experience, Durrants is here to enhance the health, happiness, independence and safety for people living here.

Free and independent

Nobody wants to give up their independence, and now, they don't need to. Durrants offers a real sense of community: a positive, purpose-built environment with superb facilities, services and accommodation; the perfect blend of luxurious independent living combined with the comfort and security of an exclusive village environment.

Just imagine calling Durrants your home...

We get a great deal of joy from doing things differently. Making homes of such superior quality, we know they'll be loved by generations.

And whether it's one of our spacious two or three-bedroom cottages, or a luxury two-bedroom apartment, each property at Durrants has been thoughtfully designed and exquisitely crafted.

It's the diversity of architecture on offer that gives Durrants its authentic village feel - one with more than a hint of rural flavour. We're proud of what we've created. And we think you'll be proud to call Durrants home.

“
These are homes that get better with age. They're filled with endless tiny details that only reveal their importance as we grow older... and what might have seemed obsessive or indulgent suddenly feels utterly indispensable.
”

Group Sales & Marketing Director

YOUR INTERIOR

Just imagine bringing your own style...

Each home at Durrants has been designed to enrich your lifestyle, whilst reflecting your own unique personality and preferences. And although many people enjoy gradually growing into their new home, others prefer a little bit of artistic guidance to help them make their mark as quickly as possible.

If you decide to enlist the help of our interior specialists, you'll work with a passionate team that takes the time to understand your tastes, before creating a personalised design that is comfortable, stylish and completely unique to you.

Just imagine a home that's been designed with you in mind...

All of our homes are designed and finished to the highest specification. Rooms are spacious so you can keep treasured furniture with you when you move and layouts are thoughtfully designed with our residents' lifestyles at the forefront, drawing on years of experience in creating stylish, practical homes.

Our eye for detail also extends to the decoration. In all properties you'll find profiled skirting boards, architraves finished in satinwood paint, smooth white ceilings and fitted carpets, where appropriate. In our apartments, all internal doors are hardwood finished and in our two and three-bedroom cottages, you'll find painted panelled doors with elegant brushed metal door furniture.

It goes without saying that all new homes have been designed to high thermal energy efficiency standards. And all have mains smoke detectors with a battery back-up and an independent call alarm that is manned 24/7, 365 days a year. For your peace of mind, all homes come with an NHBC 10-year warranty.

All first-floor properties are accessed by a lift, and parking is provided near each property.

Just imagine having the space to create...

We understand that your kitchen is the heart of your home. That's why we've gone to great lengths to make sure that it's not only practical, but extremely stylish – somewhere you'll love spending time.

Making the best use of space and natural light, all our stylish, designer kitchens are built to the highest specification. Whatever your property type, we give you the choice of fixtures and fittings. You want composite stone worktops? No problem. An electric double oven? Consider it done.

Just imagine inviting your friends over...

Whether you're entertaining friends or family or enjoying some well-earned downtime – having a generous, well thought out lounge and dining area is a real asset. Large windows let the light flood in and French doors provide a seamless connection between your indoor and outdoor space.

While some apartments feature spacious balconies, all of our two and three-bedroom cottages optimise space, both inside and out and all have a private patio. But wherever you choose to sit and relax, anyone calling Durrants home will soon discover that there's something special about that West Sussex air – some swear it tastes just that little bit sweeter.

YOUR BEDROOM

Just imagine waking up every morning and smiling...

What better way to start the day than waking up in an environment that delights and energises the minute you open your eyes? All of our cottages feature en-suite bathrooms, and apartments feature master en-suite wet rooms. Most bedrooms have fully-fitted wardrobes providing ample storage space.

But it's the little things that make a big difference - for example, we've thought that little bit harder about the accessible yet discreet positioning of every single socket and switch.

This is where restful nights become days filled with inspiration.

Just imagine the
pamper sessions...

Whether you're preparing for the day ahead or unwinding under the soothing streams of a great shower, our en-suite and stand-alone bathrooms offer a unique combination of style, practicality and tranquillity.

But it's not just the elegant design and superb fittings you'll appreciate, it's all those small details that can make life feel so much simpler. Enclosed showers with shallow trays are safe and accessible, and there is plenty of built-in storage to hide away all of your cosmetics and clutter.
