Offers Over £625,000

Silverman Black is delighted to offer this beautifully presented and much extended four bedroom/two bathroom Victorian semi detached house, located in a popular residential street within approximately 0.5 miles of both Carshalton and Carshalton Beeches BR stations. Refurbished to a high standard but retaining many attractive period features - including a pair of stunning fireplaces in the two reception rooms - the property offers a combination of the charm and style of the Victorian age and the modern functionality that is expected by families today. The accommodation comprises a substantial "double reception" room, a fully integrated kitchen and a centrally heated, double glazed conservatory extension on the ground floor, four genuine double bedrooms and a well-equipped shower room and a separate bathroom above on the middle floor and loft extension. Other benefits include gas/radiator central heating and double glazing. Externally, the property offers off street parking for one car at the front and side access to the rear garden which extends over 80 ft in length and is "tiered" - maximising the hours of sunlight in the Summer months and making this a perfect "al fresco" entertaining space. In terms of local facilities, Cambridge Road offers easy access to several excellent local primary & secondary schools (including St Philomenas, St Mary's and All Saints), with five Grammar Schools and some exceptional independent schools also located within a 3 mile radius. Carshalton and Carshalton Beeches BR stations - offering access to Clapham Junction/London Victoria, East Croydon/London Bridge and The Thameslink Line respectively - are just over 10 minutes walk away - as is Carshalton Village centre, The Ponds, The Grove and All Saints Church. Viewing of this exceptional, stylish family home is highly recommended - so call today to book an appointment to visit! You won't be disappointed!
