Price Guide £650,000

Silverman Black is delighted to offer this spacious and beautifully presented four bedroom/two bathroom townhouse located in an enviable location at the heart of Carshalton. Built by Michael Shanley Homes in 2000, the property offers stylish but practical & flexible living accommodation spread over three floors - with plenty of space for everyone! The ground floor features a generously proportioned open plan living room with direct access to the rear terrace and garden, together with a well equipped independent kitchen and downstairs cloakroom, whilst the two upper levels afford four genuine double bedrooms and two bathrooms - one of which is en-suite to the Master bedroom. Externally, the property benefits from one of the largest rear gardens on the development and a garage located en-bloc only yards from the back gate! Other benefits include gas/radiator central heating & double glazing and ample storage. In terms of local facilities, the property is located directly opposite The Grove - which is reputed to be the finest remaining example of a Victorian urban park in London - and only about five minutes walk to both Carshalton Village Centre and The Westcroft Leisure Centre. Carshalton BR station which offers fast & frequent access to London Victoria (via Clapham Junction) is also only 5 minutes walk away (0.25 miles), whilst there are a number of excellent primary & secondary schools within a few minutes drive - including St Marys, St Philomenas, All Saints, Victor Seymour and The Harris Academy to name just a few! Within the Borough there are additionally five Grammar Schools and some exceptional Independent & Private establishments - making Sutton one of London's most sought after locations for families seeking quality education for their children. Viewing of this beautiful home is very highly recommended - so call today to book an appointment to visit.
