Preserving its history, this stunning development boasts original gothic features, showcasing extraordinary stained glass windows, high ceilings and state of the art technology. As you step inside, you'll be captivated by the charm of this church conversion. This split level apartment boasts a multi-tiered living and dining room with doors leading to a private patio, this is a true masterpiece, centred around original stone pillars and a striking spiral staircase. The exposed brick wall adds character and warmth to the space, creating a sophisticated ambience making this an ideal space for those looking for something very special.

One of the highlights of this apartment is the pair of stained glass windows that illuminate the kitchen, adding a touch of elegance and colour to the room. Upstairs, you'll find two bedrooms, both with stylish en-suite bathrooms for added convenience. The master bedroom is a sanctuary in itself, featuring a floor-to-ceiling stained glass panel that bathes the room in a soft, ethereal light.
